

# Join us in Boston!

The Seventeenth Annual

## Northeast Home Health Leadership Summit

## Playing to Win!

January 22-24, 2019  
The Colonnade Hotel  
Boston, MA

# Home Care & Hospice Special Medical Directors Meeting

For the first time in its 17 year history, the Northeast Home Health Leadership Summit is sponsoring a special networking and educational session for Medical Directors.

Dedicated specifically to medical directorship in the home care and hospice fields, this meeting is intended to:

- Engage medical directors in ongoing work to advance new models of care in the home;
- Explore possible professional education of medical directors in areas specific to home care; and
- Build a peer to peer network across New England.

The meeting will include a special presentation (see side bar), as well as networking time.

**There is *no charge* to attend the meeting, but preregistration is required by emailing [mburton@thinkhomecare.org](mailto:mburton@thinkhomecare.org).**

Overnight rooms are available at the Colonnade Hotel at Sheraton Boston at [www.nhomehealthsummit.com](http://www.nhomehealthsummit.com).

*The Northeast Home Health Leadership Summit is the premier leadership conference for home health agency executives from eight northeast states (ME, NH, VT, NY, MA, CT, RI, NJ). The Summit is sponsored by the Northeast Home Health Leadership Collaborative, a consortium of state home care trade associations representing provider and associate members in the Northeast.*

### Next Generation Home Care: The Hospital at Home

Wed., Jan. 23, 2019; 8:30 – 10 AM  
Colonnade Hotel, Boston MA

Increasingly, home health providers are being called on to bring even higher-level acuity services into the patient's home.

A partnership between Medically Home and Atrius Health is testing a hospital at home model that pulls in providers from many settings – physician oversight, therapy, home health care, telehealth, and more – to make the home the site of care that might traditionally be provided on an inpatient basis.

#### Speaker:

Rami K. Karjian  
Patient Impact Team, President & COO  
Medically Home

#### Additional Remarks:

Steven Strongwater, MD  
President and CEO  
Atrius Health
